Sturgeon Hospital Welcomes 1st Baby Robert Martineau

Robert Louis Martineau arrived five days later than his mother had planned, but he was still the first baby born at the Sturgeon General Hospital. Arriving at 12:28 a.m. Monday, Aug. 31, he weighs 8 1/2 pounds and was just what his parents, Mr. and Mrs. Arthur Martineau, had ordered.

Robert has two sisters, Michelle, 6 years, and Carmaine, 4 years.

The family who have been in St. Albert for six years, live at 28 Seymore Cres. Mrs. Martineau is the former Leona St. Jean of Legal. Back in January Leona announced that she was going

to have the first baby in the new hospital, but she really didn't believe it then!

Wee Robert also has three proud grandparents, Mr. and Mrs. Ferd Martineau in St. Albert and Mr. Zenon St. Jean in Legal, who were mighty happy to learn of his safe arrival.

M.D. will oppose Hutterite colony - vote unanimous

Council of the Municipal District of Sturgeon voted unanimously at their August 13th meeting to oppose the application of the Sandhills Hutterite Brethren to establish a new hutterite colony within the municipality. A committee consisting of Reeve Lawrence Kluthe, Councillor Walter Van de

Walle and Councillor George Wilson was appointed to prepare a submission to the Communal Property Control Board detailing council's objection to the proposed colony. All submissions opposing the application must be made prior to Sept. 14. The Hutterite brethren have applied for some 3,084 acres

in the northeast corner of the municipality.

Council of the Village of Bon Accord has also voted to oppose the colony application, and individuals are protesting by petitions being circulated in the area.

A letter from the Local Authorities Board advised

Continued on page 16

Bob Hudson will contest Council Seat

Bob Hudson, 33, of 52 Gillian Crescent announced yesterday that he will definitely be a contender in the forthcoming election to fill two seats on town council. "I have been giving a lot of thought to this for some months," he stated, "and it is definitely something I want to do." Bob, who has lived in St. Albert for 9 1/2 years, has had no previous experience in politics.

His primary reason for deciding to run is his concern for preserving the in-

dependence of St. Albert as a town. "Most people moved here with the express purpose of conducting their home activities in the atmosphere we have," said Mr. Hudson. "If amalgamation

were to take place I myself would look elsewhere for a place to live."

He feels that the big bone of contention for many years

Cont'd on Page 4

Nomination Day September 16

Nomination Day for candidates in the St. Albert civic election is Wednesday, September 16 and all Nomination papers must be filed between the hours of 11 a.m. and 12 noon on that day.

Two seats on Town Council are open for a one-year term, the terms of John Bakker and Richard Wheatley are expiring. Mr. Bakker, who is in Holland for a year will not be running and Mr. Wheatley, presently on vacation, was not available for comment.

Two positions are also open on the St. Albert Protestant School District # 6, as the terms of Mr. W.A. (Bill) Penrose and Mr. Ron Harvey are up. Both these gentlemen have confirmed that they will stand for re-election.

There will be one vacancy to fill on the St. Albert Public School District # 3. Mrs. Sarah C. Ross is retiring from the board after seven year's service.

Election Day will be Wednesday, October 14 for all these positions.

Baby Robert Louis, son of Mr. and Mrs. Arthur Martineau of St. Albert, won't know for quite some time that he was Sturgeon General Hospital's first baby. But he rose to the occasion beautifully, arriving on the scene with lots of fine dark hair, lungs in fine working order, as handsome a baby as one could find and happily disposed to having his picture taken to mark the historic event. In case you're wondering, his mother assures us that he definitely looks like his daddy.

Photo by Vic Post.

Club Mocombo expanding

Work is presently going forward on an extension to the Club Mocombo which will provide an additional 5,000 square feet of space and accommodate 300 more people. The club will then have a capacity for 600 in three banquet rooms.

The new hall being added to the back of the building will be tied-in with the existing rooms by a common foyer. It will have a hardwood dance floor.

In addition to the extension, considerable renovating work will be done. Kitchen and washroom facilities are being enlarged and access will be provided to

the washrooms from the smaller of the present rooms, which is being modernized.

The exterior of the older section is to have a face-lifting and management plans to modernize the interior later on. A modern air-changing system is being installed throughout. It will not be necessary to increase parking space, which is ample to look after the enlarged capacity.

Cost, including new equipment and furnishings is estimated between eighty and eighty-five thousand dollars. It is hoped the work will be completed by Dec. 1. Sunday

family dinners will be offered in the new section, a service the public has been requesting.

The expansion was planned primarily to provide more banquet room, with requirements for meetings and dances, a secondary consideration, said Mr. Lang of the club's head office.

Growth expectations in St. Albert including the new university coming, prompted management to enlarge their facilities this year. The firm of Glenalta Business Ltd., was contracted to do the job.

Mrs. Elsie Wilson will continue to be in charge of the catering service at the club. She has been at the Mocombo for 17 years, coming in July of 1953 when her daughter was two-years old.

When Club Mocombo was officially opened in June of 1949 it was the only building in an open field on the Frank Ball property. On that day stooks stood right across the fence, extending well across into what is now the Sturgeon Heights district.

The building was only half

BOB HUDSON

Gazette out Thursday next week

Staff at the Gazette will observe the Labor Day holiday on Monday September 7 and in order to save on midnight oil and prevent late delivery Wednesday, the paper will be delivered after school on Thursday for next week ONLY. We would appreciate it if those parents having paper boys in their family would draw it to their attention next week.

Eleven-year-old Louise Kleser of Morinville had the dubious honor of becoming the first patient in Sturgeon General Hospital when she was admitted through the emergency ward Wednesday, Aug. 28 at 10:45 p.m. Betty Drury, director of nursing brings in some flowers sent to Louise and Margaret Brown, head nurse in pediatrics looks on at left.

Around Town

We welcome the following to St. Albert:

Mr. and Mrs. R. Holth and family; Mr. and Mrs. H. Kary and family; Mr. and Mrs. J. De Groot and family; Mr. and Mrs. J. R. Gibbons; Mr. and Mrs. R. Fraser and family of the Braeside area.

Mr. and Mrs. M. Patapoff and family; Mr. and Mrs. D. J. Engel and family; Mr. and Mrs. J. K. Wakefield and family; Mr. and Mrs. Morrisette and family of Grandin Park.

Mr. and Mrs. D. McRae and family of Sturgeon.

Mr. Don Perry, a well-known oddtimer of St. Albert suffered a stroke and was taken into the Royal Alexander hospital last Thursday. On the bright side, the Perry's welcomed a new grandson born last week to their daughter, Barbara Butler.

To celebrate their 24th wedding anniversary, Ray Gibbon took Elleen out for dinner at an Edmonton supper club featuring a popular T.D. entertainer. Despite the fact that the entertainer phoned in that she would not appear due to illness, they report an enjoyable evening. Come to think of it, it was fortunate that the anniversary fell on a Monday which was the fifth in the month. Otherwise Mayor Gibbon would have had a council meeting on schedule.

We haven't been able to track down how Jim Byrne appeared in an ad last week as Jim Byrne. Nobody on staff was involved in making pickles, and none of them were pickled either. Must have been the salty good humor of that Irishman in Grandin Shopper's Park that had us thinking about brine.

A nasty rumor in circulation that children returning to school tomorrow would have to get up at ungodly hours in the morning in order to catch newly scheduled buses is without foundation, says Mr. Roy White, secretary of St. Albert Separate School District #6. Three cheers for Mr. White!

The buses are to be re-scheduled, but this will take place shortly after the children have returned to school and there will be no drastic changes. The buses do not start running until just before 8 a.m.

The Bob O'Haras are back in St. Albert after about a year and a half in Toronto,

Nursery School in Morinville

The Morinville Nursery School will be sponsored by the Christian Ladies and the CWL classes will commence Sept. 15 with Mrs. Lynn Fould as teacher.

Registrations are to take place at Notre Dame School, Tuesday, Sept. 8, (9 a.m. - French students); (1 p.m. - English students). Only children commencing school in September, 1971 will be accepted.

where Mr. O'Hara was transferred with his company, Wardair.

The St. Albert Catholic Women's League will reconvene this month after the summer recess. Due to the Labor Day holiday on Sept. 7th and the reception for Archbishop Jordan Sept. 8, the regular meeting will be held on Wednesday, Sept. 9 for this month only. Mass at 8 p.m. in the parish meeting room will precede the business meeting.

CWL members are especially invited to attend the celebrations being held at the Jubilee Auditorium to honor the Archbishop on the 25th anniversary of his ordination as a Bishop.

The Editor:

The Drayton Valley Neptune Club would like to thank the St. Albert Swim Club for hosting a well run and successful regional swim meet.

Dancing teachers and senior students planning a teaching career came from Calgary, Red Deer, Mundare, Edmonton and other points throughout the province to participate in a two-day workshop in jazz and tap held in St. Albert Community Hall on Saturday and Sunday. The course was conducted by Valerie Lee, which was arranged by the Alberta Tap Dancing Association. St. Albert participants were Alma Hughes, Gladys Smith, Colleen Kelly, Ellen Flotten. New material and ideas are presented and the association has different instructors come in each year. Photo shows a jazz group working out Saturday.

Toastmistress Club will be held on Wednesday, Sept. 9 at 8 p.m. in the St. Albert Library basement. All members are requested to enter by the south door at the east end of the building. Mrs. Florence Jordan, president, is happy to announce that

Sturgeon Toastmistress Club has received its Charter, No. 1969, from Toastmistress International Club headquarters and that the local Toastmistress Club is now fully registered, with a charter executive, which was installed on June 18.

Local Minister at Conference

Representing St. Albert at a Pentecostal conference in Victoria, British Columbia,

is the Rev. H. Onishenko, of the St. Albert Pentecostal Church.

He is attending, together with representatives from 743 other churches from the strongly evangelical denomination, the 27th Biennial General Conference of the Pentecostal Assemblies of Canada.

The six-day conference, the first of its kind to take place as far west as Vancouver Island, will report on the activities of Canadian Pentecostals in the mission field as well as holding evangelistic rallies.

RECREATION

JOINT USE AGREEMENT:

Under the Joint-Use Agreement between the town and the school districts, accommodation is made available for various recreational activities and organizations in St. Albert.

Secretaries of groups wishing to apply for accommodation are again asked to send their applications to the department of recreation in the town hall as soon as possible.

SWIMMING

An account of the provincial swim meet held last Saturday in Calgary appears elsewhere in this issue. Bernie Luttmer, the coach of the St. Albert team, deserves our congratulations for the wonderful results - and so do the members of the team. Training does pay off!

The high schools are again including swimming in their physical education program and the pool schedule has been adjusted accordingly.

On Friday, Sept. 4, the afternoon public swimming session will be from 3:30 - 5 p.m.

From Sept. 8 - 11 it will be from 3:30 - 5:30 p.m.

The evening and weekend schedules remain the same. During the week beginning Sept. 14, there will be no afternoon swimming; public swimming only in the evenings.

Y NEIGHBORS

Calling all mothers! Does the prospect of winter bother you? It needn't. You can join the "Y" Neighbors and get out for a couple of hours each week, meet people and have a two-hour program of keep-fit, following by crafts, demonstrations, speakers etc. - with babysitting provided. Ladies without preschoolers will also be welcome.

This is a YWCA program and it will start on Monday, Sept. 14 in the Community Hall at 9:30 a.m. - registration will take place then.

There is lots of room in the basement of the hall for pre-schoolers of all ages. Babies should be brought in car-beds or collapsible cribs.

The cost will be \$9 for the 13-week session which ends on Dec. 14 and there will be a 25 cent charge for each child to cover the cost of crafts, juice and cookies. YWCA membership is no longer required.

Information about this program can be obtained by phoning the YWCA at 422-8176, extension 25.

YMCA SWIMMING
A 13-week learn-to-swim program for boys and girls of eight and over will start on Tuesday, Sept. 15.

The classes will be held at the West End 'Y' from 7 - 8 p.m. each Tuesday.

Journoud Painting

Phone 599-8502
(After 6 p.m.)

Interior and Exterior painting of residences and commercial buildings. Paper Hanging - Vinyl Wall Covering - All work done by qualified Tradesmen and guaranteed.
REASONABLE

Hi-Lites

Transportation will be included in the cost, a bus leaving St. Albert at approximately 6:15 p.m. bringing the participants back at around 8:30 p.m.

For information about this program, please phone the South Side 'Y' at 433-5110.

SQUARE DANCING

A beginners' class in square dancing will again be sponsored by the St. Albert Saints and Sinners. Dancers whose dancing has got rusty or anyone interested in learning is invited to phone 599-8086 for information about this class which will be under the direction of Sid DeGuire, the St. Albert caller who is very well-known in the square dance "circuit."

An announcement will be made shortly about the time and location of the first dance for the Saints and Sinners, the regular group.

Newcomers to St. Albert

are reminded that square dancing is a wonderful way of getting to know people.

the Gazette REFLECTS

Questions regarding the needs and rights of Hutterite brethren in Alberta and the responsibilities of other Albertans to the Hutterite people come sharply into focus with every application for establishment of a new colony. Because the questions have a religious connotation, dealing with the right of a people to observe their chosen religion without oppression, these questions are difficult to resolve.

But they will not go away. The Hutterite population now in Alberta is about 7,000 in 76 colonies. Of these 25 are located north of Calgary, which includes 14 colonies north of Red Deer. A colony is established with approximately 60 - 70 people. When it grows to between 130 and 140 people it is split and a new colony established. It takes about 15 years for a colony to grow to the numbers calling for a split.

People of this area are now examining some of the problems of Hutterite colonies, with an application in by the Sandhills Brethren for a colony in the northeast area of the Municipal District of Sturgeon. Strong opposition to the application is being submitted to the Communal Property Control Board by both individuals and municipal councils in the MD.

The right of religious freedom strikes at the very core of democracy, and it is a right deserving of protection by Canadians. But if the religious beliefs of a minority group cause that group to work a severe hardship on a majority, then there is cause for concern about the rights of the majority.

The Hutterite people do not enter into the life of the community, nor do they support the aims and objectives of the community as it strives to create a healthy and progressive climate for its people in matters such as education, recreation and social activities. They give very little support to small business firms. These activities are indeed vital to a good life for the people of any area. So the question arises - must a majority of people in a district accept a group of neighbors who will in effect choke off a portion of their district from normal community life and development?

As long as municipalities can be found where a majority of the residents will not oppose the establishment of a colony, the control board can justifiably reject a Hutterite colony for a municipality which does oppose it. When such municipalities cannot be found, who is going to have prior rights?

It will be a very difficult decision for our representatives in provincial government, and it may become necessary to demand some changes in the attitudes of the Hutterite people if they wish to live in Alberta.

Guides prepare for new year

Summer is almost over - leaves are turning yellow and guides are thinking about another guiding year. They would like to extend an invitation to girls 7 - 10 years of age to join brownies girls 10 - 14 to join guides, and girls 14 - 18 to come to rangers.

The registration fee this year will be \$3. If parents are wondering how this money is spent here is the breakdown:

National headquarters 75¢ provincial headquarters 80¢; insurance 10¢; St. Albert division 35¢; division camping fund 50¢; district local association 50¢.

The small amount provides a great deal of indoor and outdoor enjoyment for your girls.

The St. Albert division, which includes Winterburn and Morinville, has been fortunate in having use of some land for a campsite. However, the new university campus will soon occupy this site and we have found a new one. Mr. Bokenfohr has indicated his willingness to let us have a campsite on his farm and final arrangements are being made.

Please watch further issues of the Gazette for the schedule of registration

Bob Hudson

From Page 1

was the fact that St. Albert taxes were a good deal higher than in Edmonton. "But that gap is rapidly closing, as Edmonton faces more bridge construction, rapid transit and other major capital expenditures." On the other hand, St. Albert seems to be stabilizing to the point where we will no longer have to pay such a large premium for living here. "I think we are going in the right direction now, and council has not made too many mistakes over the past few years anyway."

"There used to be a lot of pumping for heavy industry here," said Mr. Hudson -- but I don't think many people want it now. St. Albert is a clean town, and when you talk to people who have come out from cities such as Toronto, you realize what a tremendous advantage that is.

"Another reason why I am a booster for St. Albert as a separate entity is the fine relationships between people," Bob said. "In the city you don't get to rub elbows with farmers and learn about their problems. We have a good cross section and a whole lot of people who are nice to live and work with - people who feel apart from the city and proud of St. Albert."

Beyond his feelings for maintaining St. Albert as a separate town, Mr. Hudson said the balance of his platform will have to develop as he becomes involved. "But I can and do promise the taxpayers that I will devote whatever time is necessary to do a good honest job. I'll be there whenever called upon." He feels this is a job that cannot be done half-way and plans a period of study of town affairs.

"Until I get a more complete picture, it would be silly for me to make any profound statements on town policies," said Mr. Hudson. "First I have to get involved

and then just go to work." Mr. Hudson is married and he and his wife Pat have two daughters, aged 4 and 18 months. He is a sales representative in the construction industry. Bob was involved in minor football for many years in Edmonton, coaching at the bantam and high school levels. He is past-president of the St. Albert Curling Club and has been an executive member of the club for five years.

Little Things That Add Up

If all the commercials on television were of the calibre of the Yellow Pages ads by AGT, the enjoyment of the viewers would be greatly increased. The exaggerated situations are presented with such imaginative humor and effective style, that the amazing result is you find yourself enjoying a commercial.

Citadel wheels into 1970-71

The Citadel-on-Wheels, touring company of Edmonton's Citadel Theatre, starts its 1970-71 season in Alberta schools on Sept. 28. Three original plays have been commissioned, all by Isabelle Ford, the accomplished young Edmonton playwright.

They are: "The Beast in the Bag" -- a modern fairy tale for children aged 5 to 9; "Wendigo" -- a play set in the Northwest Territories, which concerns the mysterious disappearance of a bush pilot, and is for children

aged 9 to 12; and "A Dream of Sky People" -- a rock musical based on an old Cree legend, which is for young adults.

The group will also be enacting plays which appear most frequently on the Alberta High School curriculum.

During the 1970-71 season they will perform in city and rural schools throughout Alberta. Advance bookings are now being accepted at the Citadel business office, 10018 - 102 St., Edmonton, by Mrs. Olive Finland, general manager.

The Day of the Mutts and Purebreds

The Mutt and Purebred Show last Friday attracted over 40 young competitors with dogs of various shapes and sizes to compete in the various categories.

A miniature Schnauzer sown by nine year old Scott Saunders was named grand champion of the show, placing first in purebred breeding section. Linda Edwards English Springer Spaniel placed second, and Eileen Gibbon's Maltese placed third.

In the mutt division Ron Melesko of 8 Sunset Blvd

won with his mainly Labrador dog. Perry Dely of Sunset was second with a mainly poodle and Janie Boslak with a part Collie was third.

Poodles were judged in a separate class with Lynn Bessett's dog placing first. Lynn lives at 55 Bellevue Cres. In second place was Karen Anderson's 'Karrie' of Sable Cres. Gerlyn McHugh's Doberman, 'King' won the miniature class. Lynn Bessett's poodle scored another first in the obedience class and a Boston Bull shown by Patti

Breakie of new Braeside was runnerup.

The show was organized by Peter Morris and Ian Brindle and judges were Mrs. Joan Vans and Mrs. Anne Marie Elkins.

Club Mocombo

FROM PAGE 1

its present size and the club opened as a fried chicken drive-in, with service window out of what is now Mrs. Wilson's office. Business was good and shortly afterwards the drive-in was closed in favor of an indoor restaurant. At that time space did not include what is now dance floor area in

the main hall. Mrs. Wilson recalls being told of one occasion when 250 gathered for a function in the restaurant, and were "standing back to back." The main hall was enlarged soon afterwards and the Jubilee Room was added in 1958, to serve the dinner meeting trade.

Coach Vince Ratchinsky will lead his pennant winning Reds of the K of C division into a 10-team round-robin series this weekend in Stony Plain and the North Edmonton diamond. Members of the team are from left to right, top row: Joe Twoek, Steve Olsen, Ron Sander, Vince Ratchinsky (coach), Murray Larkins, Mark Trowe, Larry Sander, Norman Rohmkopf. Front row: James LaBelle, Dean Bittman, Mark Brostrom, Scott Ratchinsky, Kelly Ratchinsky.

Reds enter playdowns

St. Albert Knights of Columbus Reds will compete in the Little Canadian baseball playdowns Sept. 5 and 6. The team is coached by Vince Ratchinsky.

The ten teams from throughout Alberta will be split into two pools for a round-robin series, which will narrow the competition

to the top two teams from each pool. Those four will go into the semi-finals on Sept. 7.

St. Albert, playing in Pool B, meets Edmonton Killarney at 9:30 a.m. for their first game Sept. 5, and Tomahawk at 3:30 for game two. On Sept. 6 they go against Calmar at 9:30 and Medicine

Hat at 1:30.

All St. Albert games go at North Edmonton Park diamond, 66 St. and 127 Ave.

Debs bow out

Pennant winning Rosslyn Rockettes had no trouble in defeating St. Albert Debs in two straight games to win the second division of the Edmonton Ladies Fastball League.

Recreational classes to begin in October

Recreational classes for children, teens and adults will be offered again this season by the St. Albert Arts and Crafts Guild and the town recreation department.

Plans for the various classes were outlined at the Guild's first meeting of the season held last week at the Arts Centre. Program schedules listing the various classes, times, places, instructors, fees and registration forms are now being printed and will be delivered to residents of St. Albert within the next few weeks. Classes are scheduled to begin the week of Oct. 5.

Anyone requiring additional information may call the recreation department, town hall - 599-6601 or Mrs. Karen Grant - 599-8524.

The social drinker isn't the one who causes problems on the highways. "It's the hard-core, dedicated drunk" he says. A study of 1,000 drunken driving convictions which showed that 25 per cent had a previous criminal record, 37.5 per cent had a record of previous arrests for public drunkenness, and 25 per cent were driving while their licence was suspended or who didn't even have a licence.

Resler pitches to victory

After going scoreless for seven innings, St. Albert Willowbrook Saints came up with three runs in the eighth to tie the score 3-3 against the Warburg Buffaloes in the second game of the four-team Oilfield Baseball League finals in Warburg last Sunday.

Saints started off the eighth with Chester Cunningham flying out to centrefield, Richie Perrault lined a hard shot over third base and stole second with Ed Howorko and Rick Pugliese drawing walks to load the bases with only one away. Larry Wolbeck was called out on strikes bringing up Zen Roskewich who hit a 1-1 pitch into deep left field. The ball somehow eluded the fielder and it glanced off his glove allowing the base runners to score and Roskewich ended up on second. Fred Resler grounded out to end the inning.

Both clubs failed to score in regulation time and in the Saints top of the 10th, Ed Howorko led off with a clean single to right field, and on the first pitch to Rick Pugliese he stole second. Warburg's pickoff attempt was high and sailed into centrefield allowing Howorko to go into third standing up. Pugliese grounded out but Larry Wolbeck hit a hard shot off losing pitcher Larry LaBresler's leg and Howorko scampered home with the go ahead run. Wolbeck was thrown out on the play and Resler grounded out to end the inning.

Fred Resler went all the way for the win and had little

trouble retiring the Buffaloes in order. Resler pitched perhaps his best game since joining the Saints two years ago as he was in complete control after allowing Warburg to take a 3-0 lead in the first two innings. He recorded six strike-outs and allowed seven scattered hits and one walk.

Louis Martineau, Rick Pugliese and Zen Roskewich had two hits each to pace the St. Albert attack, he won marked the first time St. Albert has defeated the Buffaloes in the two years they have played.

Calmar Angels were eliminated from the playoffs with losses to Breton 4-2 and Warburg 15-0.

St. Albert will play Breton in the first game of the semi-finals Sept. 20 in Warburg with the loser playing Warburg.

With former coach Bob Mulloy moving back to the States, the Saints have been

coached by Chester Cunningham and Arnold Bailey and will continue the season this way. Anyone interested in coaching the team next year should contact Chester at 599-4658.

A good turnout is expected Sept. 13 in Breton for the Oilfield Baseball League Oldtimers game against the Calmar Angels.

Chester Cunningham and Larry Mitchell will attend the affair from St. Albert Willowbrook Saints as they are the only players over the 35 year age limit. Arnold Bailey was to have played but due to a back injury he will probably take charge of the after-game frolic-ing.

Weather permitting, St. Albert Willowbrook Saints and Alexander Braves will play a game tonight at Mission diamond to get tuned up for the upcoming tournament at Alexander this weekend.

Exciting things are happening at Calgary Brewing!

Only a handful of North Americans have the judgment to brew great beer.

Three of them now brew Calgary Export Lager.

Their credentials — the treasured diploma of the British Institute of Brewing, highest achievement of the brewer's art.

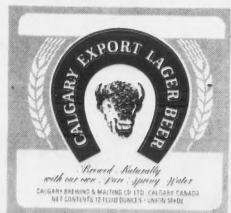

It requires six years of tough apprenticeship and intensive study. It develops skill, judgement and taste. Few, indeed, are those who qualify. Yet, we demand that diploma of our Calgary brewmaster and his assistants, and three of our men have earned it.

They love beer.

They insist on the purest water, the mellowest malts, the choicest hops — and on brews whose quality and flavour never vary. They refuse to compromise. If you too refuse to compromise, Calgary Beer is for you.

Brewed by beer lovers for beer lovers.

Low Shelf Prices at SAFEWAY

Morinville district

Mayor and Mrs. Arthur Stapleton have gone for a week's holiday, motoring to Prince George, B.C. and returning via Yellowhead highway.

Mr. and Mrs. Osborne Bromeling and family have moved into their spacious new home east of Mr. and Mrs. Arthur Soetart.

Morinville is happy to welcome Sergeant and Mrs. John

James and their family, four sons: John-16, Donald-14, Robert-10 and Darcy-6. Also one daughter, Windy-13. The family have taken up residence in the Hepler house on Main street.

Mr. and Mrs. Frank Sale recently motored to Grandview, Wash. on a combination holiday and business trip.

On Wednesday, Sept. 16 an organization meeting will be held at the meeting room of the Recreation Centre, Morinville, for the 1970 Red Cross Blood Donor Clinic and campaign. All organizations in the MD of Sturgeon, Morinville, Legal Calahoo, Villeneuve, Cardiff Mearns and Riviere Qui Barre and Alexander Reserve, are invited to have at least two delegates present.

Approximately some 120 students finished the summer Red Cross water safety courses sponsored by the Morinville Mother's Local last Friday. The community is grateful to Mrs. Borj Carlson who took charge of registration and her volunteer helpers. Also to Mr.

Gerry Pelletier for his donation.

Mr. and Mrs. J. H. Doucet and family left last week to take up residence in Edmonton.

The Morinville fire brigade answered a call last week in town but it was only an old car in the Robert Perras yard that was burning. No damage was reported to any building.

An old landmark disappeared from the Morinville Hotel in Morinville in recent weeks. The former Red & White Store which had been used for a dwelling for some years had been demolished and the site is being made ready for a new modern building in the future.

Rev. Father Lucien Teller interim priest in Morinville left this week to resume his studies at the University of Ottawa. Rev. Father Feenly will serve the parish until further notice.

Many farmers are reporting a disappointment with the weight and yield of their 1970 crops. It has been reported from many quarters, that barley and oats are light and the heavy yield expected is so far way less than expected.

Namoo 4H hold award night

The annual 4-H Garden Club achievement night was held Monday, Aug. 24 in the Namoo Community Hall.

The theme for the evening was 4-H on Holidays with each member depicting a different holiday of the year in both display and dress. Mrs. Shirley Trimble a former member of the club and now with the youth department was judge for the day. Mrs. Rita Crozier and Mrs. Mary Clark judged the displays for an award for the best display by theme which was donated by Mrs. Clark and presented to Terri Jeffery.

Mrs. Ella Coburn presented a trophy on behalf of the Sunside Ladies club to Terri, efficiency winner for last year. Mrs. Gladys McLaughlin on behalf of the Happy club presented an award to Audrey Gibson winner of the public speaking competition. Anna Huber received an award donated and presented by Terri Jeffery for the best first year garden.

A book written by the Honorable J. W. Grant MacEwan was given to Audrey Gibson for the best garden by the youth department. Audrey also received a trophy for the best shrub plot and a lovely

silver tray presented by Mr. Nicolas of the Royal Bank for the best display by points. Mrs. Alma Paul donated and presented an award for the best project book to Terri Jeffery.

The award for the best all round member as voted on by the club members went to Anna Huber. Julie Clarke and Theresa Huber presented gifts to the leaders, Mrs. Griffiths and Mrs. Gibson on behalf of the club. Chairman for the evening, Louise Huber, told of her recent trip to Wisconsin. Soloists during the evening were Terri Jeffery and Lauren Miller, accompanied at the piano by Mrs. Barbara Crozier.

The club was pleased to have five new members this year, three of them boys. This is the first year the club has had boys since its formation. The first year members were Darlene Segard, Anna Huber, Lauren Miller, Eric Nalbach and John Capstick.

In rural Malaya, time is traditionally expressed in picturesque phrases: "Many cocks crow" -- 3:30 a.m.; "The flies get busy" -- 8:30 a.m.; "Buffaloes wallow" -- 11:30 a.m.; "The buffaloes return to the shed" -- 6 p.m.; "The children are sleepy" -- 7:30 p.m.

Many thanks to all who supported and helped the club during the last year.

Victory Dance in Legal

The people of Legal are throwing a big "Victory dance" Friday night for the Midget baseball team, Northern Alberta Champions of 1970. The Golden Altos band will be giving out at the community hall and everybody for miles around is invited to come and celebrate with the young champs. Admission is \$5.00 for the adults and \$1.00 for students. Looks like one of those do's you won't want to miss.

Card of Thanks

CARD OF THANKS - Mrs. John Wozny, Morinville

I wish to acknowledge and thank most sincerely everyone who in any way contributed to the well being and offered help to my late husband, John Wozny, and myself, during his last long illness.

I also wish to express my heartfelt thanks to all those who helped me at the time of my great loss after the death of my beloved husband. Also for the many expressions of sympathy and donations to the Wozny Cancer Memorial Fund as well as the many floral and spiritual offerings received and given to Rev. Father Teller. I am very grateful to Rev. Father Teller for the community memorial service at which he officiated. The words of Mayor Arthur Stapleton will always be a comfort to me in my long hours of grief.

I regret that health reasons prevented me from accepting your expressions of sympathy in person.

Irma Therese Wozny (Mrs. John)
Morinville, Alberta.

They're after your blood!

MORINVILLE: Mrs. Rose Martel, district Red Cross chairman for the MD of Sturgeon, has announced that the 1970 Blood Clinic will be held in the Morinville Recreation Centre on Wednesday, Oct. 28.

A meeting to meet the new district Red Cross director, Mr. Gary Cook, will be held in the meeting rooms in the Morinville Recreation Centre on Wednesday, Sept. 16 at 8 p.m. Delegates from all local and district organizations taking part in any Red Cross work in the MD of

Sturgeon are cordially invited to come and meet the new Red Cross director and formulate plans for the 1970 Blood Donor Clinic and also the Red Cross campaign.

A special invitation is extended to representatives of youth organizations and student union representatives who can assist in many ways to give the campaign the success it deserves.

"Les Femmes Chretiennes" official sponsors of the Red Cross Blood Clinic will host the evening.

Alcomdale girls enjoy 4H events

By Dawne Brennells

Since the end of the official club year last May, several of the Alcomdale 4-H Clothing Club members have participated in various 4-H activities.

Victoria Brennells, this year's club week delegate, spent a very enjoyable week at Vermillion Agricultural and Vocational College in early July.

Elaine Tomlin and Dawne Brennells were two of the group of 60 4-H members who departed on July 29 for a two week trip to Wisconsin. This trip was part of an exchange program started last year. While in Wisconsin, each member of the group stayed at the home of a Wisconsin 4-H member. On Aug. 23, Audrey Whit-

son and Elizabeth Stilson left to attend a three-day camp for junior 4-H members at Camp He-Ho-Ha. This camp is a new 4-H project that enables members who are under 15 to take part in summer activities.

The club will begin its sixth year activities on Thursday, Sept. 10, with a reorganization meeting at the home of Mrs. Charlene Stilson, beginning at 8 p.m. Anyone interested in joining is welcome. If any further information is required, please call Mrs. Leonard Whitson, 256-2104, or Mrs. Dan Brennells at 256-2245.

Cardiff Column

By Florence Vranas

Three Cardiff young people have been very active and successful in their respective 4-H clubs in the past year.

Sharon Saunders, a member of the Morinville 4-H Sewing Club's "Cool Spoolers" has won the efficiency award for the 1969-70 year and as a result attended Club Week at Vermillion from July 5 to 11.

The following week Shirley Wales attended camp as a result of winning the 1969-70 efficiency award for the Morinville Beef Club.

Chris Mickelsen won second prize for his calf at the July 3 achievement day for the Sturgeon Valley Dairy Club.

Jim and Doreen Michelson with children Chris, Marian, Peter, Heather, and Carl spent a week of holidays at Valemont and Kelowna, B.C., recently. Last week they enjoyed a few more days at Baptiste Lake.

Many little friends (and mothers) were present at a party for Lynn Hebert at the

home of her parents Lionel and Rita on Aug. 28 on the occasion of her sixth birthday.

On Aug. 30 a bridal shower was held at the home of Helen Robinson for bride-elect Theresa White. Theresa will become the bride of Randy Calahoo on Sept. 4.

About 24 ladies attended and presented Theresa (Cookie) with stainless steel cooking utensils and dinnerware on behalf of all present. Various prizes were won by the following: Carrie Rockwell, Mrs. Calahoo, Arlene Vranas, Connie Calahoo, Sharon Saunders, Gwen Knoll, Edna Lavallee, Donna Calahoo and Dorothy Saunders with the door prize going to Wanda Paul.

Pat Jepson wins

The Namoo United Church Women held its annual flower show in the Namoo Community Hall on Aug. 22. The show this year was in the form of a typical country fair, with a fresh farm produce and home baking sale, a fortune teller and a white elephant sale. There were several trophies awarded in different classes.

The grand challenge cup for the most points in the flower show went to Mrs. Pat Jepson. The Rosa Samis Cup for the best dark gladiolus was won by Mrs. Alice McLay. Mr. Bob Kindlemann received the Clark Cup for the best vase of gladioli. The Speers trophy for the adult novice winner went to Mrs. Pat Jepson. The Alice McLay trophy for the best adult entry in the show was won by Mrs. Betty Lou Kindlemann.

Lanny Robertson won the Sarah Bell trophy for the winner of the Junior class. The Albert Paul trophy for the 4-H member with the most points was won by Audrey Gibson. Mrs. Pat Jepson received the Mrs. Fred McLay Memorial trophy for the best vase of four or more flowers. The Zaychuck trophy for the best fruit display was won by Mrs. Arlene Speers.

Mrs. W. Akerman was the

Making oil

Scientists at a U.S. energy research centre are on the track of a commercial process to make oil from garbage. The process has reached a point where oil has been produced from wood industry waste and sewage sludge. The refuse is converted to a heavy oil.

winner of the Mrs. W. F. Craig Memorial award for the winning foliage plant. The Mrs. D. S. Barnett prize for the winning junior entry went to Lanny Robertson. The Kindlemann family trophy for age 9 to 12 years went to Lanny Robertson. Jodee Pearce received the Doreen Pearce trophy for the 8 and under aggregate points.

The show was very successful and enjoyed by all. Many thanks to all the people who participated.

St. Albert Swim Club Provincial Champs

The St. Albert swim team came from behind in the latter stages of the Alberta provincial B swimming championships, to run up total points of 259 and win the Club Championship, defeating last years champions the Stanley Park club in Calgary by 35 points.

There were 70 events in the finals and after 64 or these were completed the total club points stood at Stanley Park 210, St. Albert 199. St. Albert relay teams then proceeded to break five provincial records, turning in an exceptionally fine performance and netting 52 points to bring their club to victory.

Barbara McCaffery, Tom Kehoe, Denise Savole and Letitia Sopchuk were outstanding in their events. Complete results are shown below with asterisk marking a record breaking swim and a capital C denoting a consolation final placing.

SWIMMING RESULTS

Letitia Sopchuk (3) 200 M Free; (3) 50M Fly; (1) 100M C Free; (1) 200M C IM. Graham Clarke (4) 25 M Fly; (5) 25 M Free.

Christine Fowler (2) 25 M C Fly; (4) 25 M C Breast; (4) 25 M Back.

Sharon Sander (5) 25 Fly; (3) 50 M Freestyle C. Mike Sandomirsky (2) 25 M C Fly; (1) 50 M C Breast; (2) 50 M C Freestyle.

Denise Savole (2) 25 M Fly; * (1) 50 M Breast; (2) 100 M I.M.

Richard Fowler (2) 25 M C Fly; (2) 100 M C I.M. Peter Odiga (3) 50 M C Fly; (3) 100 M Back.

Tom Kehoe (4) 50 M Fly; (1) 100 M Breast; (2) 100 M C.I.M.

Barbara McCaffery * (1) 50 M Fly; * (1) 100 M Breast; (2) 100 M Freestyle; * (1) 100 M I.M.

Glaister, Gerard Garlepy, Don England, Michelle Garlepy, Richard Garlepy, Michael Sinclair, Errol Garvin, Darrell Tookes, Casey Kelly, Rod Wiltshire, Sean Kehoe, Keith Rae, Jim Kehoe and Matt Gibbon.

Trophies displayed in the pictures are the Provincial "B", the Central Alberta, the Fort Saskatchewan Best Club in Meet and the Devon meet trophy. St. Albert was one of twenty-seven clubs entered in the championships this year and total swimmer registration for B competition in 1970 was 1000 in Alberta. Coach of these champions is Bernie Luttmer.

BERNIE LUTTMER
COACH OF THE PROVINCIAL CHAMPS

Swimming coach Bernie Luttmer started the competitive swim club in St. Albert toward the end of July in 1968, when he had a small group. Formerly he swam 3 years with the Golden Bears University team. In 1969 more swimmers came in and the club had it's first full year of operation. They never won any of the season meets but when they got to the Central Alberta regional finals they won first place. In the provincial B finals they placed second to Calgary. This year they won all of their meets but one (losing to Drayton Valley) and became provincial B championship club. Bernie has now graduated from the U of A with a BSc in civil engineering and plans a European holiday. On his return he may go to work as an engineer, or possibly will return to university to study architecture. Either way Bernie won't be back at the St. Albert pool next year. Our guess is there will be a lot of young local swimmers whose progress will be keeping track of though.

Committee meets with Minister

The public works committee of MD Sturgeon, Councillor G. Wilson and Secretary A. Nobert, together with representatives of Apex Gravel, Twin Bridges and Steel Brothers, met with the minister of highways to discuss upgrading and hard-

surfacing the Evergreen road. Mr. Flynn presented estimates on the cost of hard-surfacing only as prepared by the firm of Stewart, Weir Stewart, Watson, showing estimated cost in the vicinity of \$225,000. This would cover a 28 foot travelling area with soil cement base.

Mr. Flynn also informed the minister that the company's representative and also the City of Edmonton were prepared to contribute a certain amount of money for improvements to the road. Apex, Steel Brothers and Twin Bridges were prepared to give \$4,000, in cash or in materials and the City of Edmonton was prepared to give \$2,500.

The minister questioned the estimates as prepared by Mr. Weir and stated that he felt that soil cement should not be used because there were ample supplies of gravel in the near vicinity of the road in question. He also questioned the need for a 28 foot travelling area. He felt that the road in question could not have a 28 foot

top due to the construction that a 24 foot top would be sufficient. Also he wanted new estimates to be prepared as to a 24 foot top with gravel base instead of soil cement.

The question of banning the road was also discussed and the minister stated that the municipality could ban such a road, provided they could detour the traffic to another road. The question of a business bylaw was also discussed and is to be investigated further.

Under development control bylaw the municipality may be able to acquire a bond from the company using the road. The minister stated that under the natural resources road provincial government had only allocated the \$50,000, available for the entire province.

He also stated that such a grant might be discontinued within the next year, and probably such grant be allocated to the grid road program if adopted by legislation. He pointed out that the evergreen road is not in the grid road program therefore would not qualify for a grant.

At the August 13 meeting council heard cost estimates from the firm of Stewart, Weir et al which were forwarded to the minister as he requested. Total cost estimated is \$153,925. This new estimate on the basis of the highways minister's suggested specification is lower than the firm's original estimate by \$71,000.

Ancient Greek and Roman divers worked in a thriving sponge industry, the National Geographic Society says. Sponges then had odd uses. Dipped in honey, they pacified babies; soaked in water, they became soldiers' canteens.

This handsome Miniature Schnauzer called "Suzie", with all that personality showing through, was named Grand Champion of St. Albert's first Purebred and Mutt show held last Friday in Sturgeon area. Owner Scot Saunders holds Suzie's trophy. Photo by Vic Post

Newest electric appliance alongside the toaster and the percolator at the breakfast table is one designed to make frying bacon as easy as making toast -- clean, automatic and done to individual taste, for a new "baconer" eliminates spattering or accumulation of hot grease. The bacon slices, up to seven or eight per frying, are draped over the non-stick cooking surface of the gadget and cook automatically to any desired crispness -- determined by pre-setting an

automatic dial. The bacon fat drains off into a separate grease tray. When your bacon is done, the appliance shuts off automatically.

Jamie Gates to attend Royal Roads

Eighteen-year-old Jamie Darrell Gates left on Friday for Victoria where he will attend Royal Roads Military College on a four-year scholarship.

Jamie has had a fine record of high marks throughout his school years, and has also done well in the militia. He took his grade 7, 8 and 9 at St. John's College in Edmonton because he wanted to learn the French language. As a result he is bilingual, something he feels is important in today's more global world. His grade 10 was taken at St. Albert High with honors and he finished high school at O'Leary in Edmonton.

This summer Jamie placed first in his course at Senior NCO Militia Reserve. He is an exceptionally modest and unassuming boy, and on this occasion would not even come in to Edmonton for the award presentation. In fact his mother hasn't yet seen it.

The scholarship, awarded by the regular officer training plan, will completely cover four years in a university degree program and Jamie may take his second two years at the Royal Military College in Kingston, Ontario.

Competition for the scholarship is Canada-wide and high marks are a definite requirement. Students are paid as they go through the program.

JAMIE GATES

Jamie will be majoring in science and engineering to start with, and may go on into chemistry.

He is the son of Mr. and Mrs. James C. Gates of 42 Balmoral Drive and has four brothers, Cormie in fourth year zoology, Lawrence who is taking a manager's course with Woodwards, and Tommy and Allan at school.

The family have been in St. Albert 11 years. Mr. Gates is employed by the university and Mrs. Gates at Sturgeon General Hospital.

The scholarship, awarded by the regular officer training plan, will completely cover four years in a university degree program and Jamie may take his second two years at the Royal Military College in Kingston, Ontario.

Competition for the scholarship is Canada-wide and high marks are a definite requirement. Students are paid as they go through the program.

M.D. Council Briefs

The council instructed the superintendent of public works to clean up the refuse on the road allowance as soon as it is possible, and secretary will check with the department of highways on procedures the department takes to force people to clean up nuisance sites adjacent to highways.

Application will be made to CDA for perennial weed control grants on both road sides and private land. Under a special control program \$6,000 is allotted for road sides with cost shared equally by the federal department and the municipality. On private land \$2,400 is split \$2,000 for the department and \$400 cost to the municipality.

"Council approved the location of a Calgary Power line to provide an alternative to power feed to the town of St. Albert, subject to the condition that the line be on the road allowance at the company's expense, if and when the M.D. requests relocation of the line for road construction.

Don England and J. Shenfield were appointed weed inspectors for the MD

Douglas wins C.A.F. scholarship

Douglas Bremner, 17, of 5 Gaylord Place, St. Albert, is one of 750 students selected from 6,000 throughout Canada for a Canadian Armed Forces' scholarship to university.

Douglas, the eldest of four children of Mr. and Mrs. Reginald Bremner, was surprised to hear the news of his success five days ago, "I didn't really expect it," he said.

Under the regular officer training program, Douglas will study commerce for four years at the University of Alberta. From April to September each year, when the university closes for summer, he will attend officer training courses, probably in Vancouver Island. For at least three years after graduation he will work for the Canadian Armed Forces in

the Air Force, and while he is at university the CAF will pay his fees as well as a monthly salary.

Douglas's original application was made to the recruiting centre in Edmonton where he was interviewed by a major and captain, and underwent physical and intelligence tests. He then spent three days in Calgary, writing nine examinations and a personal self-history, as well as taking further aptitude and IQ tests. His marks in high school were reviewed, particularly those he obtained in grade 12, and the overall results were before a board in Ottawa, who selected the 750 students.

A former pupil at Paul Kane High School, Douglas has always been interested in the armed forces, particularly the air force where his father was a sergeant

until his recent retirement. A former air cadet, he has spent part of this summer with the army at Wainwright driving a 2 1/2 ton army truck.

Teenagers attend Conservation Camp

Back from a five-day camp near Sundry, where they have been studying our environment and its conservation, are Audrey Gibson of R.R. #2 St. Albert, Carol Bokenfohr, of R.R. #1 Villeneuve and Maureen McConaghy of R.R. #1 Legal.

They are just three of 65 delegates who stayed from Aug. 9 to 14 in the James River Bible Camp seeing films and slides, attending lectures and going on field study trips into the surrounding countryside. Each delegate from 4-H

clubs throughout Alberta chose for special study two out of the five areas of conservation. They are: soil, water, forestry, fish and wildlife and rain management. Audrey, from the Namaso Garden and Namaso

Clothing Club, and Carol, from Villeneuve Clothing Club, both chose as their detailed studies, fish and wildlife and water.

Sponsored by Calgary Power Ltd., Canadian Utilities and Northland Utilities

M.D. Council

FROM PAGE 1

council that the hearing on the annexation application (\$1/2 25-33-25-4) will be held Sept. 21.

Council discussed future development in the vicinity of the new university site

and decided to have a general development plan prepared, to cover zoning, roads and all pertinent matters. Makale and Associates, planners for the MD have been requested to begin work immediately

on the plan.

A reply was received from Redwater Fertilizer Plant, assuring council that Imperial Oil would make a thorough check of trucks transporting sulphur. The company also offered to have a water analyses done for Mr. Minchau who had complained about a sulphur spill.

Councillor Walker reported that the Villeneuve Road west of Highway 2 is very rough and in need of improvement.

He also stated that in his opinion there was a need for a lift of gravel and oil prior to winter. The public works committee is to contact Consolidated Concrete on the arrangement for the improvements to the road.

Mr. Harrold informed council that he wanted the superintendent of public works to check on the need of a road sign, either a yield or stop sign, to be erected at the north end of 127 St, where other road work is in the shape of a Y.

Councillor Wilson wanted to know from council who was presently responsible for the Evergreen road in relation to load limits, graveling maintenance and what not. Reeve Kluthe informed Councillor Wilson that presently he would have to be in charge of the said road until the public works committee further investigate the requirements of roads and action to be taken in relation to load limits.
